

Raytheon Intelligence & Space Internship Students Program 2024

Description

Raytheon Intelligence & Space is thrilled to announce the Internship Students Program for 2024. We are seeking talented and ambitious individuals to join our team and gain hands-on experience in the cutting-edge field of aerospace and defense. As an intern, you will have the opportunity to work on impactful projects, collaborate with industry experts, and contribute to the advancement of technology and national security.

Responsibilities

- Contribute to the development and testing of cutting-edge aerospace and defense technologies.
- Collaborate with multidisciplinary teams on engineering, software, and systems integration projects.
- Participate in research, analysis, and problem-solving activities to support program objectives.
- Engage in training sessions, workshops, and mentorship programs to enhance technical skills.
- Present findings and project updates through written reports and presentations.

Qualifications

- Currently enrolled as an undergraduate or graduate student pursuing a degree in engineering, computer science, physics, or a related field.
- Strong academic performance and a genuine interest in aerospace and defense.
- Excellent communication and interpersonal skills.
- Demonstrated ability to work both independently and collaboratively in a team setting.
- Eligibility to work in the United States.

Experience

- Previous coursework, projects, or internships related to aerospace or defense is advantageous but not mandatory.
- Familiarity with engineering principles, programming languages, or software development is a plus.

Skills

- Proficiency in relevant software and tools associated with the chosen field (e.g., CAD software, programming languages).
- Strong analytical and problem-solving skills.
- Adaptability and a willingness to learn and contribute to a collaborative team environment.
- Effective communication and presentation skills.
